About the Tournament

Help honor our nation's greatest citizens by participating in the sixth annual Complete Parachute Solutions Defending Freedom Warrior Weekend. The Golf Tournament takes place on April 14, 2012, at Pelican Bay Golf and Country Club North Course. Registration and practice begin at 8 a.m. Tee time is 10 a.m.

The Wounded Warrior Project maintains that veterans are our nation's greatest citizens, and seeks to assist those men and women of our armed forces who have been severely injured in conflicts around the world. Many of these courageous warriors suffered traumatic wounds that will retire them to civilian life. Once there, these veterans face greater challenges in obtaining assistance and finding opportunities to provide for themselves and their families.

The Wounded Warrior Project needs our financial support to carry out its vital mission to:

- Provide free assistance to veterans attempting to obtain benefits from the Department of Veterans Affairs and other agencies
- Represent veterans on state and federal legislative issues
- Work with business and government leaders to ensure veterans are given equal opportunity in hiring practices
- Provide outreach to modern veterans through programs and services that address their unique needs

On behalf of those who ask so little yet give so much, we invite you to review the sponsorship packages and choose one that works for you or your organization. Pass this information along to friends and colleagues. We can help these brave warriors know that their fellow citizens care about them and appreciate their dedication to the nation.

Wounded Warrior Project is a
501 (c)(3) nonprofit agency
